This Statement of the Substance of the Interview is being filed in compliance with 37 C.F.R. 1.133.

On November 2, 2004, the Applicant's undersigned representative had a telephonic conversation with Examiners Zarni Maung and Backhen Tiv concerning original claims 1-38 in the application. The Examiners explained that original claims 1-38 were not considered in the outstanding non-final Office Action because a Preliminary Amendment had been filed canceling claims 1-38. The Examiner advised the undersigned to add canceled claims 1-38 as new claims in a Response to the outstanding Office Action if original claims 1-38 are desired to be examined.

Applicant's representative filed a Response on November 3, 2004, adding back claims 1-38, numbered as claims 59-96. Should the Examiner have any questions or concerns regarding the new claims, the Examiner is encouraged to telephone the undersigned representative at the number listed below.
